**RELEASE OF LIABILITY  
WET ART**

I, \_\_\_\_\_ (print name)

\_\_\_\_\_ (telephone no.)

release Chromatics from responsibility for claims which may arise from damage to my art work on which the paint or surface finish is not fully dry, cured, set or fixed.\* I recognize that this condition makes the surface of the art much more vulnerable than normal.

I understand that every precaution will be taken in both handling my art and performing the services which I have requested. If, in the course of handling and working with my art, damage occurs due to its extra vulnerable condition I release Chromatics and its employees from any liability and I agree to pay for the services performed.

\* including, *but not limited to*, pastels(fixed or unfixed), pencil, charcoal & paints.
